Subject: RE: Follow-up regarding 11/3/2016 Mayor Lee and Supervisor Cohen HPS Briefing

Dear Ms. Elliott,

My colleague Enrique Manzanilla, who attended last week's meeting on EPA's behalf, will respond to your request. As I noted in my earlier email to you, I'm recused from this matter, but glad to assist you and your office in any other way as needed.

Kind regards,

Alexis

Subject: Follow-up regarding 11/3/2016 Mayor Lee and Supervisor Cohen HPS Briefing

Dear Representatives of the US Navy, US EPA, DTSC, SF DPH, and OCII:

Thank you for joining Mayor Lee and Supervisor Cohen last Thursday for a briefing of the current status of clean-up at Hunters Point Shipyard. In follow-up to that meeting, I would like to request your agency reply to this email with the following information:

- 1) The name, title, and contact information for your agency's designee for future conversations and meetings related to the status of clean-up at HPS
- 2) Confirmation that this person can attend the following meetings, as requested on Thursday by the Mayor and Supervisor:
 - a. December 15, 2016, 2:30 p.m. to 3:00 p.m.
 - b. January 25, 2017, 2:30 p.m. to 3:00 p.m.
 - c. February 22, 2017, 2:30 p.m. to 3:00 p.m.

These monthly meetings will take place here at City Hall in the Mayor's Office (room 200).

We are requesting one representative from each agency plan to attend and be able to speak to: 1) progress made on the clean-up, 2) update the Mayor and Supervisor on the status of the final determination around necessary sampling, 3) update the Mayor and Supervisor on community engagement and outreach, and 4) no later than the third month, provide clarity regarding impacts of this additional sampling to the final timeline for transfer. At the close of February the Mayor and Supervisor have indicated they will re-asses the meeting schedule.

Thank you again for making yourself available for the meeting last Thursday, and we look forward to working more closely with your agencies in the coming months.

Best,
Nicole

Office of Mayor Edwin M. Lee
